Your selectmen take pleasure in reporting that they have received from the executors of the estate of the late Mrs. Julia A. Ladd, of Shirley, Mass., formerly Julia A. Hoyt, of this town, the sum of \$2,215.68 it being the proceeds of the legacy named in the following clause of the last will of the said deceased :

“To the selectmen of the town of Gilford, Belknap county, N. H., the sum of two thousand dollars, in trust, to invest and keep invested and to pay and distribute the net income to and among the deserving poor of said town.”

Savings banks in this state being legal depositories for such funds we have deposited the amount received as follows, under the head of JULIA A. LADD FUND.

1896.

Aug. 17.	Loan and Trust Savings Bank, Concord, N. H., book No. 16,238 . . . . .	\$1,215.68
18.	N. H. Savings Bank, Concord, N. H., book No. 40,076 . . . . .	1,000.00
Jan.	Dividend on above . . . . .	10.83
		—————\$1,010.83

The suits brought in 1894 against certain collectors of taxes for the possession of uncollected taxes, to which reference has been made in former annual reports, were finally decided against the town of Gilford and in favor of the city of Laco-  
nia, but upon a motion for an allowance for costs we were awarded a balance of taxable costs to the amount of \$99.58, which sum has been paid by the city and turned into the town treasury.

We have also received from old collectors certain sums of money collected by them previous to March 24th, 1893, the date when the act chartering the city of Laconia took effect and final settlements have been made with these parties by payment of the balance due for services where such balance existed.

The bills of the town, so far as they have been filed and allowed, have been paid to date, including \$405.07 of "Old Town" bills.

By including in the liabilities of the town the sum of \$75, appropriated by the Gilford school district at its last annual meeting for the repair of school houses, but which has not been called for by the district officers, and also the annual interest charge upon the note indebtedness of the town of \$202.57 there appears an apparent increase in the net town debt of \$39.12.

Respectfully submitted,

GEORGE W. MORRILL, Treasurer.

JOHN B. MORRILL, }  
CHARLES W. ROLLINS, } Selectmen.  
WILLIAM H. WEEKS, }

We, the undersigned, auditors of Gilford, have examined the foregoing accounts of the treasurer and selectmen of said town and find them correctly cast and properly vouched.

## SCHOOL REPORT.

---

The school work for the past year has progressed quietly and we are glad to say that good results have been accomplished in our schools. But few changes were made in teachers at the beginning of the year. With one exception the teachers we have employed during the year have had experience in their duties and they have all labored faithfully and have given thorough and practical instruction to their pupils. We have reduced the number of schools from ten to seven in the spring and eight in the fall term. This has enabled us, "with the few repairs," to have twenty-four weeks of school during the year. The remainder of the school money was expended in a short term of high school. We have introduced a new series of readers in the schools a much needed change, as the old readers were in a very bad condition. The \$75 raised for general repairs at the last school meeting, with Mr. Freeman Follett as agent to lay out the same, has not been expended and is still in the hands of the town treasurer.
